Croft: What are you gonna get out of this? I mean  
honestly.  
Long: Did you say that?  
Croft: Yeah.  
Long: Okay.  
Croft: And, and even in recent conversations  
Long: Right.  
Croft: In past weeks, I've said hey, hey listen guys,  
you guys' focus is all fucked up. You guys are  
like aimin' at State heads and stuff like that,  
Long: (Whispers). Right.  
Croft: You're a Militia for Christ sakes.  
Long: (Whispers). Right.  
Croft: It's not your job to put anybody in power. It's  
not your job to dictate who does the job.
